

PUGET SOUND CANINE FANCIERS SHOW-N-GO

January 7th, 2017

SPECIAL MESSAGE for JUDGES / STEWARDS

Exhibitor Conflict – Put a C by the exhibitors Name to show a conflict

Do NOT cross an Exhibitor name off the list if they don't show up; they may have a conflict – just move on and allow them to run later in the order

Standard Agility takes priority then Utility Obedience, then Open Obedience.

Novice Obedience exhibitors may move their runs to the Obedience Barn, or from the Obedience Barn to the Big Barn.

Please accommodate them.

If an exhibitor tells you we did not get one of their runs scheduled, please add them in to your gate sheet.

IMPORTANT!!

Judges and Stewards get preference on their runs – **if they need to run so they can judge or steward – let them run immediately or fit them in ASAP!**

Breaks or Conflicts for YOU, the Judge or the Steward

Debbie Addicoat is jumping in for **judges** who need to “be an exhibitor” or need a break.

Teresa Smith will jump in for **stewards** who need to “be an exhibitor” or need a break.
