Greetings All

Included in this email are all of the run schedules. We try very hard to make sure you can show and go and not spend all day. But that is not always easy. That said, PLEASE be flexible and if I have a typo or I didn't cut and paste correctly all can be fixed at the gate on the printed run schedules. Just work with the gate steward/volunteer and we will make sure you get your runs.

This will be a great chance to practice teaching your dog how we deal with conflicts. If you get to your ring and no one is in, ask if you can do your run. Also if someone needs to do their run out of order go with the flow. With offering 3 performance venues scheduling is a very imperfect science. Also you think you missed your run, work with the gate to get it rescheduled.

We will have a light/comfort food type of lunch for \$5. We are planning on serving them in cups, so they are easy to take with you.

We are starting everything at 9:00 and should be done by 1:00/1:30

This year we have two vendors who will be set up inside the main arena. I have included their websites. We will have the coffee on in the morning and a light lunch for \$5 around noon.

Puddles Barkery, LLC has some super jack-pot treats. They are so natural that you need to keep them in the refrigerator or freezer. My dogs go nuts for these Her website is www.puddlesbarkery.com

The other vendor is ContactACoat, LLC. She has agility contact equipment, training equipment, skins, and other contact maintenance supplies. She even has covers for contact equipment that you store outside. Her website is www.contactacoat.com

See you on the trial trail
